Re: North Carolina State Laboratory of Public Health CLIA Certificate 2021

The current CLIA Certificate of Compliance located on our website expired May 17, 2021. The NC State Laboratory of Public Health (SLPH) was inspected by Region IV CLIA Surveyors April 19 to 23 and closeout for that inspection is still pending. Until this process is complete, a new certificate will not be issued by the Centers for Medicare and Medicaid Services (CMS).

According to our CMS inspection team lead, the SLPH CLIA certificate expiration has been extended through September 30, 2021. We anticipate receiving a new certificate soon and it will be posted to our public website. In the interim, please continue to use the copy located on our [public website](#) and a copy of this memo for your records.

Should you have any questions, please contact the NCSLPH Customer Service Line at 919-733-3937.
