**Subject: 2015 QC Year End Report**

Below you will find the **2015 Year End Report** for the Quality Control of the GC-Lect media, performed at the State Laboratory of Public Health. In order to be CLIA compliant, this information must be retained with your QC records for at least two years.

After a lot of GC-Lect media has undergone quality control testing a memo is sent to each county, for their records informing them of the results. This is sent electronically via e-mail and also placed on the North Carolina State Laboratory Public Health public website.

Thank you,

Tiffany
